Albany, August 17, 1844.

R H E U M A T I S M.

This Sarsaparilla is used with the most perfect success in Rheumatic complaints, however severe or chronic.—The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief. This entirely eradicates it from the system, even when the limbs and hones are dreadfully swollen:

Dr. Townsend: I was attacked with a distressing pain my hip joint, so bad that I could not walk without my crutches; and much of the time I was obliged to keep my bed. I tried several remedies, but they did not relieve me I then called on one of our first Physicians; he did not help me. I heard of your Sarsaparilla, and obtained a hother, and in a few days it entirely cared me, and I as well now as ever.

Please send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal Physicians, and recommended your Sarsaparilla.
